

31st October 2019

# National Unity Day

Rashtriya Ekta Diwas

Students of IX B

We, at Springdays School, proudly joined hands with the nation in saluting the Iron Man of India, Sardar Vallabhbhai Patel on 31<sup>st</sup> October to commemorate his 144<sup>th</sup> birth anniversary.

The students of class IX B conducted the special assembly celebrating the day as “Rashtriya Ekta Diwas”.

The events of the day begun with the “Highlights on the Iron Man of India” by Lalitha, with her power point presentation. As a mark of respect to the values of Sadar Patel, Radha recited a poem written by her classmates.

The class students enacted a skit based on “Unity in diversity” as the fundamental point of being an Indian.

To instill the values, the whole school from classes IV to X comprising of 478 students and 23 teachers took the pledge for the unification of our nation until our last breath.

The students exhibited their interests with the recitation of slogans and singing as a mark of tribute to all men who had been instrumental in preserving the unity of our Mother Nation India.

Lalitha, the class student of IX B received the circular summarizing the importance of National Unity from the Vice Principal.

It was suggested to student participants to read out the distributed circular to their respective parents to promote the same value everywhere.

The assembly events created an awareness, that we as Indians remain as one, come what may - taking Sadar Patel as role model. We wound up the assembly with the National Anthem. Jai Hind.
