Certified that no addition or alteration has been made to the existing building or portion of a building for which this application has been made. I undertake to obtain a fresh licence in case any addition or alteration is made to the existing building or portion of building. I also undertake to obtain a fresh licence if the purpose for which the licence was granted for the use of the building or portion of building originally is changed or altered subsequently.

This is further to certify that no thatched buildings / inflammable roof buildings are used within this premises for the purpose noted in the statement. Any thatched building constructed / used after issue of this certificate, I would be held responsible for fire accident / mishap that may occur later and I am aware of that it is a punishable crime. Also other buildings of any types within this premises which were not opted / covered for the purpose which the licence was granted would be brought under the risk of my own.

The revenue details (Survey numbers, area & boundaries etc.,) and building details (Founadtion, year of construction etc.,) metioned in this certificate were provided by me only.
